PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

RECENT OPERATIONS

By Paul Rardin

Elmer Burgess' "Palm Beach Illustrated News" found its way to our exchange desk this week. It was the first issue. Sort of a descendant of Tiff. The Tiff outfit had been on vacation this summer while the boss habited an overworked ticker. While away from the smell of printer's ink and roar of presses the Tiff outfit had an idea—an excellent one—and the result thereof was the "Illustrated News". Printed on slick paper and of course, freely illustrated with local news pictures it is an interesting and attractive weekly. As outstanding as the new publication is, I'll always have a warm spot in my heart for the old "Sunshine Special" out of which has grown "Tiff" and the new "Illustrated News."

Here at home—next door so to speak, in Pahokee—Editor Tony Santo came out last week with a splendid "Second Anniversary Edition" of 20 pages. It was filled with the stuff of which newspapers are made—advertising and a proportionate amount of interesting reading matter. Congratulations to Editor Santo and his estimable wife who did a good turn in assisting in publication of a very creditable issue.

Extra Help Is Need Of Red Cross Unit

The Red Cross Service Unit in Pahokee needs some volunteer help, according to Mrs. Sadie Barwick, chairman of the unit. There is a great deal of work to be done each week, such as driving the Red Cross station wagon to various hospitals on the east coast.

Mrs. Barwick said also that 10 blood donors are needed immediately to go to West Palm Beach to replace blood used on patients from the Glades. Six are needed to go to Jackson Memorial hospital in Miami for blood replacement. It makes no difference what type blood the donor has, Mrs. Barwick said.

"We are in desperate need of six more women," Mrs. Barwick said, "to drive the station wagon." She pointed out the many necessary trips made by the wagon each week.

Each Wednesday the wagon goes to the Crippled Children's Clinic in Miami. Each Friday a load of children is taken to the Kiwanis dental clinic in West Palm Beach. On Tuesday of each week the wagon is used again in carrying folks to the tumor clinic in West Palm Beach.

When it is considered that a handful of women in Pahokee and Canal Point do all of the work in connection with the unit, it is easy to see why extra help is needed. The organization is doing an outstanding work and those who have extra time should give the unit a helping hand.

Fuller Warren's Covenant With The People

"When I am your Governor, I will diligently devote four years of consecrated service to the people of Florida. I will energetically apply the experience I have gained in public service in an earnest effort to make your state government more of a blessing and less of a burden. I will never treat the Office of Governor as my personal possession, but rather as a sacred trust and a solemn responsibility which has been temporarily committed to my keeping by the people of a great and sovereign state. At all times, I shall earnestly strive to so conduct myself that at the end of my term as Governor you will still trust me as you did on inauguration day."

Conner's Highway Open For Traffic

Conner's Highway is again open to traffic after being closed for several weeks on account of flood waters. State Highway crews have patched and reopened the highway and it is now ready for traffic.

Ponce Will Invade Lair Field Tonite

Local football fans are looking forward to a spirited contest tonight when the Ponce De Leon Cavaliers invade Lair Field in an attempt to break the long standing jinx which the Pahokee Blue Devils have held over them.

After opening the season with a 6 to 0 victory over Lake Worth the Cavaliers have dropped four in a row to Fort Pierce, Miami Beach, Tech High and Vero Beach and are eager to get back into the winning column.

The Blue Devils, still smarting from their fumbling defeat by South Broward two weeks ago, are equally determined to win this game and prove to their local supporters that they still know how to play football.

Though defeated, 13 to 6, at Fort Pierce last Friday night the Pahokee eleven showed signs of a strong comeback from their mid-season letdown, making 12 first downs compared to the Eagles' 11 and played the highly favored East Coast team on even terms throughout the game.

The Blue Devils scored first early in the first quarter following a long drive down to the Fort Pierce 20 where Hueston Connelli sliced through tackle for the touchdown but Carr's placement attempt failed. Jack Strickland scored for the Eagles in the second quarter and again in the third.

Coach Clyde Alley and his assistant, William Howard, have been working hard this week getting the Blue Devils ready for tonight's game. He reports his men to be in good physical condition and ready to go.

Kickoff time is 8:15.

Glades Motor Line Sold To Trailways

The Glades Motor Lines made its last trip through this section on Sunday, October 31. Trailways bus lines took over on Nov. 1 and made their first trip on Monday morning of this week.

With the passing of the Glades Line another era closes to an end in this fabulous farming section of Palm Beach county. It was back in 1926 that Ed Kettner and Mrs. Kettner started a bus line in this section from West Palm Beach. For many years the inimitable Ed and Mrs. Kettner served the Everglades' section and on across the state to Fort Myers.

After the passing of Mr. Kettner the bus line was operated for several years by Mrs. Kettner who drove a bus and attended all the business of the line. Just before the war Mrs. Kettner sold out to the Weaver interests of Fort Myers who operated the line until Monday of this week.

Trailways is a part of the Florida west coast Collier interests. The concern operates buses throughout Florida with headquarters in Tampa. Freight lines come into the Glades with a warehouse at Belle Glade.

Emmett Roberts Is Lions Club Speaker

Emmett Roberts, Lions deputy district governor, was guest speaker at the Tuesday luncheon meeting of the Pahokee Lions Club. Introduced by Edward A. Jensen, the speaker gave a talk on "Lionsism", stating that the work of Lions International is being carried on by 365,000 Lions in 6,355 active clubs in 23 countries.

A. J. Lively reported the need of local donors to the blood banks in West Palm Beach and Miami which furnished blood for transfusions at local hospitals. G. M. Belk, Jr., Pahokee High School senior, was the guest of James Sims, student member of the club.

Mrs. Ed Unwin has returned from a visit with her son-in-law and daughter, Mr. and Mrs. Andy Nycheck, in Fort Myers.

Mrs. Daniel Jordan and sons, John and Jimmy, of West Palm Beach visited relatives and friends in Pahokee Sunday.

Some New And Many. Old Faces On Vegetable Deal This Season In The Glades

The vegetable deal in the Everglades section of Palm Beach county is big business in anybody's language. It takes many fellows with stamina, brains and stick-to-it-iveness to master the deal and carry on from season to season. Through the seasons many have fallen by the wayside while others have been sticking to it since the first car of beans went to a northern market in 1925.

We thought it would be interesting to see in print a list of the major portion of the fellows who go to make up the vegetable deal here on the eastern shore of Lake Okeechobee. It is humanly impossible to get a complete listing because to mention every person connected with the deal would be to mention nearly every resident of the Glades. Our list today takes in several of the packing house operators and their salesmen along with the usual group of railroad commercial agents.

The Seaboard Railroad has as general agent at Belle Glade, H. O. Carlton. Bob Lanier is the Atlantic Coast Line commercial agent there. Charley Maynard is the Southern's commercial agent in Belle Glade.

In Pahokee the Seaboard has F. P. Holt as commercial agent and Chas. G. "Windy" Willis fills the same capacity for the Coast Line. Terry Sellers is commercial agent for the Southern.

FEC Railroad agents this season again will be as follows: Canal Point, H. L. Carter; Belle Glade, B. Q. Waddell, and L. A. Maryes at South Bay. I. E. Hamilton, FEC train master with offices in Belle Glade, will again be on the job to see that shippers get the usual high class service.

Rudy Paulk for years a fixture at Max Beverly, Inc., this year moves down to Wedgworth's as sales manager. O. G. McWhorter, former sales manager with Wedgworth's hasn't announced his future plans. Colquitt Davis will be with Max Beverly. Another new man at the Beverly office will be Jake Fritz of Mountain City, Tenn.

The Mackey Produce company in Canal Point will be operated under the eagle eye of the owner, Robert Mackey. He will be assisted by Jimmy Wilson and Parnell Enecks. Jimmy will be replaced as buyer for Eastwest Produce company by Charles Murray, who comes here from Lakeland.

Lake Okeechobee Farmers Coop in Canal Point will again be headed by John A. Dullery as sales manager and Max Ammons as office manager. Out at the Ever-

Mrs. Tom Baldwin was able to return to her home here this week from Good Samaritan Hospital, West Palm Beach, where she recently underwent an operation.

Mr. and Mrs. Inman W. Weeks are spending the weekend with relatives in Jacksonville and Lulu.

glades Growers Cooperative at the State Market platform Jess Elliott is still the general manager and Homer Clause is sales manager. Roy Vandegrift is the new president of the concern.

The Vandegrift-Williams concern in Pahokee will have a new man in the person of W. E. Blackwell who is in the bookkeeping department. Hull Packing Company will be under the direction of last year's personnel. Ellis Wilkinson is sales manager. Doing business at the same old stand with the same crew will be W. H. Vann, Inc. Luke Fraser is sales manager and "Bit" Farrow the bookkeeper.

Unity Farms, Inc., will again have Graham Mole as sales manager and J. C. Mock as bookkeeper. Pope-Johnson Company will be under the direction of E. L. Pope.

In Canal Point the S. M. Jones Company will have Sultan Boyd as buyer and Jimmy Merrill as bookkeeper. A. Mr. Bull will be sales manager. Out at the State Market, T. S. Kirk will be manager and also manager of the Glades Traffic Bureau.

The Chastain Company in Canal Point has the following in charge: R. L. Chastain, President; Don Kepp, secretary; W. L. Duncan, Vice President and sales manager; O. H. Chastain, vice president and G. L. Sims, bookkeeper. The Pioneer Growers, Inc., in Belle Glade, will again have Lee Hayman as sales manager and B. G. Smith as office manager and bookkeeper.

C. A. Thompson will operate the Keesee packing house. Under what name we do not know. The E. A. McCabe Company will see Mr. McCabe as sales manager and Jack Torrence selling all vegetables other than leafy ones.

Harold Rabin Company will have Mr. Rabin acting as sales manager for his concern and Jonas Leher as sales manager. South Bay Growers will again have Harry Smith doing the selling. Bob Cameron will handle leafy vegetables. Mrs. C. M. Larriek and Dot Simmons will keep the books.

Everglades Produce Company at South Bay has Frank Anderson as general manager and Luke Arnold as sales manager.

Other houses operating in Belle Glade will be Graber and Sons, Chapman and Sons, J. C. Hutchinson and Co., A. Duda and Sons, and American Fruit Growers.

In Pahokee Leslie Ippock will present Robert T. Cochran of New York, Henry Barwick will buy for several northern houses. Doug Matthews in Belle Glade will buy for Atlantic Commission Company. Red Kent in Belle Glade will buy for Cernagli of Atlanta. Pete Scuran, an old landmark, will again be at the helm of his packing concern selling to any and all comers.

The Segree Produce Company of Pahokee and Indiantown will be operated by Roy Segree and Don Hall.

Pahokee Children Have Grand Time At Halloween Fete

Approximately 675 Pahokee children were entertained at the big Halloween carnival and party given by the Parent-Teacher Association on Lair Field Saturday evening.

Over half of the children were in costume and took part in the colorful parade of costumes which formed at the city hall grounds at 6:15 p. m. and was routed through the downtown section of Pahokee to Lair Field. There the children were divided into four age groups and marched over a raised platform where the judges performed the difficult task of choosing the outstanding costumes.

In each of the four groups four cash prizes were awarded, one each to the child judged to be wearing the most beautiful, the most comical, the most typical and the most original costumes. In addition two children of each group were given honorable mention for outstanding costumes. Each child was given a number and the prize winners were called back to the stand by number with no names announced. Announcements during the judging of the costumes were made over a public address system furnished by the Prince theatre with Oscar Dobrow at the microphone.

The Pahokee High School Band, directed by Robert O. Lampi furnished music during the carnival and led the parade.

Following the carnival dance parties were held for the older children and room parties for the smaller children with room mothers and teachers acting as hostesses.

Mrs. A. D. Beverly, chairman in charge of general arrangements, was assisted by a parade committee, Mrs. E. L. Pope, chairman, and a refreshments committee, Mrs. J.

V. Thomas, chairman. PTA officials wish to thank the various civic groups that contributed financial aid and the many individuals who assisted in entertaining the children.

She was born in Newfoundland. She was affiliated with the Christian Science Church at Belle Glade.

Holden, Miss Thelma Hillier, Miss Donna Hillier, Miss Nancy Hillier, all of Pahokee; a son, Gordon Hillier, Pahokee; two sisters, Mrs. Norman Wilcox, Malden, Mass., and Mrs. Arthur Roberts, Newfoundland, and one brother, Elisha Bath, Newfoundland.

While there they visited Rev. Howes' son, Thomas, who is religious education director at the Methodist Church in that town.

Upswing Shown In Glades Employment

The trend toward higher employment was indicated in the 54 job orders received by the Belle Glade office of the Florida State Employment Service during October. A. M. Larrimore, local office manager, announced today.

During October, 100 applications came into the Belle Glade office, in addition to the 281 on hand at the beginning of the month. Placements totaled 50, including 5 women and 19 veterans.

A total of 4 disabled veterans and handicapped workers found compensable work during the entire month, all of them having been placed during National Employment Physical Handicapped Week, October 3 through 9.

The seasonal upswing in employment is beginning to be noticed. Vegetable packing sheds are making preparation for opening and the Okeanta Sugar Mill is scheduled to begin operations during the month of November.

Active applicants on file with

the local Florida State Employment Service office show that the greatest number of workers available are farm hands and vegetable packing workers. An in-migration of these types of workers has been apparent during the past month, Larrimore said.

Employment prospects for the next 30 days are good in farm work, processing vegetables for fresh pack, and in sugar processing occupations.

Applicants for jobs and job orders should be made at the City Hall in Pahokee every other Tuesday morning from 9:30 to 12:00 beginning November 9, 1943. Job orders will be taken over telephone 307 Belle Glade.

CHURCH OF CHRIST, SCIENTIST

"ADAM AND FALLEN MAN" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world on Sunday, November 7.

The Golden Text is: "There went up a mist from the earth, and watered the whole face of the ground. And the Lord God formed

man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul" (Genesis 2:6, 7).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Cease ye from man, whose breath is in his nostrils: for wherein is he to be accounted of?" (Isaiah 2:22).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "All that is made is the work of God, and all is good. We leave this brief, glorious history of spiritual creation (as stated in the first chapter of Genesis) in the hands of God, not of man, in the keeping of Spirit, not matter,—joyfully acknowledging now and forever God's supremacy, omnipotence, and omnipresence" (521:5).

Mr. and Mrs. W. H. Pierce announce the birth of a daughter, Sandra Jean, at the Belle Glades Hospital on Oct. 20. Mrs. Pierce is the former Olla Vene Angel of Pahokee.

From where I sit... by Joe Marsh

"Husbands, Wives, and Marriage"

Maybe you read that survey published recently in a national magazine, entitled "Husbands, Wives, and Marriage."

It showed that among happily married couples, those who criticized themselves outnumbered those who criticized the other person. Among unhappily married couples, it was just the opposite—each one tended to criticize the other.

That's the way it is in our town, as I guess it is in yours. Criticism, whether it's of a wife's taste for hats, or a husband's taste for pipe

tobacco and an evening glass of beer or ale, is a sure start towards unhappiness.

As for what made happy marriages, companionship within the home was listed most important of all. And from where I sit, a husband and wife who can spend an evening by the fire—with nothing more exciting than a mellow glass of beer, and a friendly conversation—are a truly well-matched couple!

First Halloween Party Canal Point Is A Huge Success

Canal Point's first Halloween carnival and party for the children of the community, held on the school grounds Saturday evening, was a joyful success, thanks to the careful planning of Mrs. D. R. Hall, general chairman, and her many assistants.

Everyone attending had a grand carefree time except, perhaps, for the judges who really had a job on their hands trying to pick prize winners from the galaxy of beautiful and unusual costumes worn by the children.

The display and judging of costumes took place in the school auditorium with Paul Rardin acting as master of ceremonies and some 150 children competing for prizes. Four cash awards for outstanding costumes were presented to children of four groups as follows:

Preschool age, Ann Pope, prettiest, Edward Wilson, funniest, Betty Johnson, most original, and Carolyn Maxson, most typical; first and second grade group, Suzanne Chastain, prettiest, Wayne Browning, funniest, John Walter Smith, most original, and Betty Edenfield, most typical; third and fourth grades, Theresa Pope, prettiest, Woody Strayer, funniest, Buddy Edenfield, most original, and Gene Hagans, most typical; fifth and sixth grades, Aleph Hall, prettiest, Ernest Tillman, funniest, Judy Cowart, most original, and Patsy Maurer, most typical.

Judges were Rev. and Mrs. R. A. Fuller, Rev. and Mrs. Elmo Scoggins and Mrs. Clinton G. Coburn.

Following the judging of the costumes parties for the children were held on the school grounds with room mothers and teachers

acting as hostesses. Refreshments of cup cakes and cold drinks were served and there were prizes and toys for all the children. Cakes, pies, hot dogs and coffee were served to adults at the PTA booth.

The carnival was sponsored by the Parent-Teacher Association which wishes to express its thanks to the Lions Club, the Rotary Club, the B&PW Club, the Elks Lodge, the Beta Omicron Chapter of the Beta Sigma Phi Sorority and a group of friends for financial assistance, to the American Legion Post 242 and its auxiliary for lighting arrangements on the school grounds and the adult food booth, to Mr. Rardin and the judges for their services at the costume show, to Francis Croas and Frank O'Connell for their help in parking cars and to the many others who donated pies, cakes, equipment and helped in so many ways to make the carnival a success.

HERE'S A PICTURE
to be cherished. It catches
a radiant moment, to be
remembered always.

THIS IS A PICTURE
which assures radiant
health. Your chest is the
subject of this picture.
Your health is its object.

Here are facts you should know:

Between the ages of 15 and 44 tuberculosis leads all
other diseases as the cause of death.
Tuberculosis kills approximately 50,000 people
every year.

A half-million people in this country are estimated
to have active tuberculosis. Of these, only one-half
are known to health authorities.

One out of every two adults in the United States is
estimated to have *tubercle bacilli* in his system ...
which might lead to active disease.

Early tuberculosis frequently has no symptoms of
any kind.

CHECK YOUR CHEST...**WATCH FOR THE X-RAY UNIT IN YOUR
NEIGHBORHOOD -- CHECK YOUR CHEST**

The National Tuberculosis Association reminds you that:
The greatest safeguard against TB is excellent
health. Active disease does not occur so long as the
body's resistance can successfully fight germs.

TB is contagious. It is spread through coughing,
sneezing, and personal contacts.

TB is curable.

The sooner the presence of TB is detected, the
quicker the cure and the safer your family and
friends will be from contagion.

A CHEST X-RAY, AT LEAST ONCE A YEAR, IS THE SAFEST,
SUREST STEP TOWARD COMBATING TUBERCULOSIS

Truman Victor In Tuesday Election

Harry S. Truman, the man who turned an apparent rout into a "miracle" victory talked only of peace and American "prosperity and happiness" Wednesday as the tributes of a nation rolled in.

Now President of the United States in his own right, and the popular champion of its political arena, he accepted the honor with midwestern modesty.

Gov. Thomas E. Dewey, after conceding defeat, said Wednesday he would not consider running for a third time for the Presidency.

His firm answer, in response to a press conference question, was "No".

President Truman's vote getting magic Wednesday pulled the Democrats into solid control in 30 of the nation's 48 governorships.

With returns complete in all but three of the counties in the 6th Congressional District, Rep. Dwight Rogers was leading, Kaltenborn by 25,999 to 12,359.

Florida Democratic leaders who split off or drifted away from the Truman ticket received the taunts of the stand-patters Wednesday as the President's victory margin grew.

The faithful few who stood up to talk for Truman while others marked him off as beaten were jubilant.

Their political stars are high now, and perhaps highest among them is that of Senator Claude Pepper, who almost alone stumped the State for the man he had tried desperately to block out of the party nomination in June.

Pepper hailed Truman's win as "not only the greatest upset, but the most gallant fight and the most deserved victory ever fought and won in American politics."

Mrs. W. G. Hull, accompanied by her daughter, Mrs. Ed Barnes, has returned from a visit with her son-in-law and daughter, Mr. and Mrs. Roscelle Wilson, in Colquitt, Ga.

Mrs. Kathryn Barnes was called to Swainsboro, Ga., Monday by the critical illness of her mother-in-law, Mrs. R. E. Barnes.
